That the following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes as part of the Constitution when ratified by the legislatures of three-fourths of the several States within seven years after the date of its submission for ratification:

“ARTICLE—

“SECTION 1. Prior to each fiscal year, Congress shall, by law, adopt a statement of receipts and outlays for such fiscal year in which total outlays are not greater than total receipts. Congress may, by law, amend that statement provided revised outlays are not greater than revised receipts. Congress may provide in that statement for a specific excess of outlays over receipts by a vote di-

rected solely to that subject in which three-fifths of the whole number of each House agree to such excess. Congress and the President shall ensure that actual outlays do not exceed the outlays set forth in such statement.

“SECTION 2. Prior to each fiscal year, the President shall transmit to Congress a proposed statement of receipts and outlays for such fiscal year consistent with the provisions of this Article.

“SECTION 3. Congress may waive the provisions of this Article for any fiscal year in which a declaration of war is in effect. The provisions of this Article may be waived for any fiscal year in which the United States faces an imminent and serious military threat to national security and is so declared by a joint resolution, adopted by a majority of the whole number of each House, which becomes law.

“SECTION 4. Total receipts shall include all receipts of the United States except those derived from borrowing and total outlays shall include all outlays of the United States except those for the repayment of debt principal. Total receipts shall not include receipts (including attributable interest) of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund, or any successor funds, and total outlays shall not include outlays for disbursements of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund, or any successor funds.

“SECTION 5. The amount of the debt of the United States held by the public as of the date this Article takes effect shall become a permanent limit on such debt and there shall be no increase in such amount unless three-fifths of the whole number of each House of Congress shall have passed a bill approving such increase and such bill has become law.

“SECTION 6. All votes taken by the House of Representatives or the Senate under this Article shall be rollcall votes.

“SECTION 7. Congress shall enforce and implement this Article by appropriate legislation.
